## FREQUENTLY ASKED QUESTIONS:

**Q:** How much in fuel savings will I experience?

**A:** Fuel economy is specific to individual driving preference – however, customers have experienced fuel savings up to 8 miles per gallon.

**Q:** How do I know when there has been an update/upgrade for my Bully Dog product?

**A:** Using the Update Agent, updates can be automatically downloaded to your computer.

**Q:** How long do the downloaders take to install?

**A:** Installation for PMT 30-45 minutes, Triple Dog 15 minutes, Triple Dog Combo 30-45 minutes.

**Q:** Why the PMT?

**A:** You have the convenience of having a downloader, controller, monitor, and gauge all in one.

**Q:** Why is Bully Dog the better choice?

**A:** Superior engineering, continual on-going service and outperforming the competition.
